

## Licorice

Glycyrrhiza glabra (Licorice) is a widely used, sweet flavoured root. Its usage ranges as anti-viral, anti-bacterial, treatment of respiratory tract infections as well as for gut health, peptic ulcers and gastritis. Variants of licorice extract are also used for improving skin conditions. Dolcas Botanosys manufactures a wide range of Licorice ingredients at its state-of-the-art manufacturing facilities in India.

### Grades Available
