

Licorice

DGL derived from the roots of Licorice, aids digestion and treats stomach complaints, including heartburn and indigestion. It soothes and protects the stomach lining, helping to heal ulcers and prevent their recurrence. DGL contains no glycyrrhizin, so it's completely safe, even for people with high blood pressure.

Grades Available

- De-Glycyrrhizinated Licorice - NMT 3%

Features

- High Bulk Density
- Made in cGMP facility
